ATE OPENING OF SCHOOL IS HARD ON TEAM

Applicants for 1935 Squad Already Don Uniforms; Expect 30 Out for Practice.

(Special to The Argus.)

Aledo, Sept. 28.—With the opening of the Aledo schools next Monday, strenuous work is expected to be done for the applicants for the 1935 football team. The late opening of the school, due to the new building not being completed, has handicapped the team in getting into form, but a number of the old men have been out in uniform for the last week and next week it is expected that at least 20 men will be in the squad.

Most of the coaching work will probably be done by Principal Alvin Almer, who was on the Aledo team last year, and Superintendent Roberts and local coaches will assist in getting the team in shape. The schedule has not been completed as yet, but it is probable that games will be played with Alexis, Woodhull, Wapella, Geneseo and other towns in this section of the state.

Interest in basketball at the local school is expected to be greatly increased this year, with the new gymnasium close to the downtown district available for games. Teams will probably be organized and material for future teams developed.

Aledo Briefs

Aledo, Sept. 28.—The Luther Brotherhood of the Swedish Lutheran church will not meet this evening. The session will be held tomorrow night instead.

Reports received at the farm bureau office from different parts of the county show that from 80 to 100 per cent of the old members are being signed up and also many new ones in the membership drive being put on by 150 members.

CONDUCTOR SAYS PROSPERITY IS OFF SIDE TRACK

(Special to The Argus.)

Aledo, Sept. 28.—According to Dan McMillan, conductor on one of the local freights, the prosperity special must be due along this branch of the Burlington. Dan says he has handled more freight the past week than any week in months. In the past five days 25 cars of freight have been delivered along the line besides small shipments. Coal is beginning to move and all towns have received shipments from Southern Illinois.

ALEDO SHIPPERS PLAN SUPPER FOR TUESDAY, OCT. 10

(Special to The Argus.)

Aledo, Sept. 28.—The annual meeting of the Aledo Livestock Shippers association will be held Tuesday evening, Oct. 10, in the parlors of the First Methodist church and the members and their wives are invited to enjoy a supper which will be served by the ladies of that church. The local association has about 250 paid up members and during the past year, have shipped stock for numerous other farmers in the vicinity. According to A. J. Baxter, shipping manager of the association, it has handled a larger proportion of the shipments from Aledo than in former years but the total number of cars will probably be somewhat less than last year, as there has been less livestock shipped. The association is handling many small shipments for its members and is reported to be in a healthy live condition.

Rheumatism

A Remarkable Home Treatment Given by One Who Had It

In the year of 1893 I was attacked by Muscular Sub-Acute Rheumatism. I suffered as only those who are thus afflicted know for over three years. I tried remedies after remedies, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number of my friends and they have been cured. I am now seventy to eighty years old, and the results were the same as in my own case.

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism, to try the great value of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and address, and I will send it free to try. After you have used it, and it has proven itself to be that long-looked-for means of getting rid of such forms of rheumatism, you may send the price of it, One Dollar, but understand, do not wait until you are perfectly satisfied to send it. Let it that fair! Why suffer any longer when relief is thus offered you free? Don't delay. Write today. Mark H. Jackson, 3283 Durston St., Chicago, Ill.

Mr. Jackson is responsible. Above statement true.

REPUBS CALL MEETING FOR OCTOBER 9TH

Will Elect Delegates to Judicial Convention at Rock Island—May Cast Deciding Vote.

(Special to The Argus.)

Aledo, Sept. 28.—A call has been issued by County Chairman S. S. Prentiss and Secretary James A. Allen for a convention of the Republican voters of the county on Monday, Oct. 9, for the purpose of naming delegates to the judicial convention to be held in Rock Island Tuesday, Oct. 17, at which time a candidate will be named for the vacancy caused by the death of Judge Emory C. Graves. The election will be held Tuesday, Dec. 12.

Mercer county is the only one of the district which will not have a candidate for the office and local politicians say that Mercer's 13 votes will probably be necessary for the nomination in case the delegates from outside Rock Island county should line up against that county.

No announcement has been made as to whether a Democratic candidate will be named to make the race for the circuit office.

EXPERT SHOOTER TO BE IN ALEDO NEXT WEDNESDAY

(Special to The Argus.)

Aledo, Sept. 28.—Aledo sportsmen will have an opportunity to get expert advice from a well known shooter next Wednesday when Fred Ellis will spend the day in the city. Ellis has made some good records at the traps, perhaps his best being in 1911 when his average for the season was 97.95 clay pigeons out of a hundred. The shooter is now in the employ of the Winchester Repeating Arms company and Wednesday forenoon he will be at the Detweiler store to talk guns and ammunition.

In the afternoon he will give an exhibition at the regular weekly shoot of the Aledo Gun club which is held at the fair grounds. Although getting up in years, Mr. Ellis is said to break about 95 of the hundred in his exhibition shoots. He and the late Tom Marshall were close friends and years ago often opposed each other in state and national matches.

NURSERY CHORUS PROVES HIT OF LEGION COMEDY

(Special to The Argus.)

Aledo, Sept. 28.—The first performance of the "Land of the Homestead" was given last night at Aledo opera house, under the auspices of the Fallersans post of the American Legion. The play was to a capacity house. Both the regular acts and special numbers were put over with an ease which marked the entertainment as one of the best local talent productions given here in recent years. All the characters took their parts well. Probably the most applause was won by the nursery chorus, which brought forth such characters as Buster Brown, Little Boy Blue, Red Riding Hood and Jack the Giant Killer. These parts were taken by prominent business men of the city, A. K. Phillee, Dr. Rex Van Sickle, L. C. Johnson and George Heck. The advance seat sale for tonight makes another full house. The legion should clear a neat sum as the result of the two productions.

\$2,100 TAKEN IN AT WHITE SOX ALL-STAR GAME

Legion and Local Nine to Divide \$500 Cleared from Event—Last Game Sunday.

(Special Correspondence.)

Galva, Sept. 28.—The neat sum of \$2,100 was taken in by the Galva American Legion post here on last Monday at the White Sox-All-Stars baseball game. A large percent of the amount went to the White Sox and All-Star baseball teams. The sum of \$500, which was the total sum cleared, will be divided between the Galva American Legion and the Galva baseball team. The members of the Galva ball team assisted the legion members in making the game the wonderful success that it was. It was the largest attendance that had ever witnessed a baseball game in this city.

At the little pitcher who of last Monday pitched nine innings of baseball for the All-Star team against Mack and Davenport, the two White Sox pitchers, will pitch the game here on next Sunday afternoon in the Henry-Galva baseball game for the championship of the Illinois Valley Baseball association. Harvey Cady, the former well known catcher of the Boston Red Sox, will do the receiving act for the Galva team. This will be the last game of the season.

MUCH COAL IS BEING HAULED IN FROM MINES

(Special Correspondence.)

Galva, Sept. 28.—A very large amount of coal is being hauled into Galva from the mines south of this city. Farmers are busy laying up their winter's supply. Some of them haul the coal with trucks, others with horses and wagons. Coal from the mines 15 miles south of Galva is being hauled into Weller township several miles north-west of here.

COLONA SCHOOL WINS 1ST PRIZE

(Special Correspondence.)

Colona, Sept. 28.—The exhibits in sewing, a drawing entered by the local schools at the Henry-Galva fair, won first prize. Much credit is due the teachers, Miss Ruby Rost and Miss Alice Cain, who were instructors in these subjects last year.

CLASS OF EIGHT ARE CONFIRMED

(Special Correspondence.)

Port Byron, Sept. 28.—A class of eight boys and young men were confirmed at the Messiah Lutheran church Sunday morning. Those in the class were Harold Broquist, Arvid Engdahl, Donald Hanson, Alvin Fritz, Virgil Fritz, Edwin Johnson, John Larson and Verlus Swanson.

MRS. JOHN STEIN SERIOUSLY ILL

(Special Correspondence.)

Geneseo, Sept. 28.—Mrs. John Stein of North State street is quite ill, having suffered a severe attack of illness during the past few days. Her son, John Stein, now located at Peoria, Ill., has been in Geneseo for several days.

WORKERS CLASS MEETS.

(Special Correspondence.)

Port Byron, Sept. 28.—The Workingmen's class of the Methodist Sunday school met with Mrs. E. H. Wait Tuesday afternoon, for the regular monthly meeting. There were 19 present, and the usual business session preceded the social hour, during which refreshments were served by a committee.

WOMAN'S CLUB OF SHEFFIELD HOLDS FIRST FALL MEET

(Special Correspondence.)

The speakers were Mrs. Martha Stelmets, Lagoon, president of the Sixteenth district federation, and Mrs. Harrison M. Brown, Peoria, Illinois director of the General Federation of Women's clubs. The annual rummage sale of the Sheffield club will be held Saturday, Sept. 30.

PARENTS OF DAUGHTER.

(Special Correspondence.)

Geneseo, Sept. 28.—Mr. and Mrs. H. B. Bogue of East South street are the parents of a baby daughter, born yesterday morning. This is their second child and daughter. Mr. Bogue is an instructor at the Geneseo township high school and athletic coach.

SIMPLE APPLICATION THAT DISSOLVES BLACKHEADS

No more squeezing and pinching to get rid of those unsightly blackheads. There is one simple, safe and sure way to get them out and that is to dissolve them.

Just get about two ounces of calomel powder from your drug store—sprinkle a little on a hot, wet sponge and rub it gently over the blackheads for a few seconds—wash the parts and every blackhead will be gone.

Finishing and squeezing out blackheads make large pores and you cannot get rid of the blackheads out this way—while this simple application of calomel powder and water dissolves every particle of them and leaves the skin and pores in their natural condition. Any druggist will sell you the calomel powder and about two ounces will be all you will ever need.
